downtown

DISCOVER *downtown*

Visit Historic Hattiesburg Downtown and experience a rich preservation and blending of traditional architecture with new and contemporary uses. The new uses include coffee shops, restaurants, galleries, cafés, and retail shops. You will find a treasure of shopping and dining experiences.

Downtown offers a superb blend of wonderful dining, fine art, antiques, theater, festivals, special gifts, live entertainment, unique residential opportunities, and a bookstore regularly visited by authors signing their works.

The ambiance of Downtown Hattiesburg is stimulated by festivals, local and touring theatrical productions, and special events, many of which are hosted by the City's original Saenger Theater, now renovated to its 1929 Art Deco era.

Unique residential opportunities provide a new addition to Downtown. Some of these are fashioned from upper floors of renovated buildings and others are part of new developments. Spaces range from lavishly decorated and upscale to traditional lofts.

Please call or visit our website for details & activities.
